Highlights include:

Our funds are down due to increases in AIS treatment, more Inspection time and Lagoon contribution.

This year 88% of our budget went to inspection and AIS treatment.

Motion to approve Karen seconded robert. Approved.

Old Business:

Steve Hatelsted reported: Joe Norman has given him no update. Steve called and Stearns is ready to meet with Joe Norman. SUE Foley will be there to represent the board. There are 2 proposals. JOE want his plan to be the one they use. Lhatka wants this plan also. It has the holding pond being dug. MOre information will be given at the next meeting. A bid question is once there ar bids how much will we need to contribute to the project.

Kristin:

There will be an email about meat raffle working.
There was no inspection update.

MCAL Update:

Robert has submitted a grant proposal for Lagoon. Only 6 lakes have submitted to get the grant.

We should be able to get \$600 reimbursement for water testing for 2025 also.

Approval is in 2 weeks. Robert wil report for the next meeting.
No Bees and Butterfly mowing.

Bill:

Brian Update: Lake Sylvia Lake Association:

They found Starry Stonewort in fall and didn't do anything till spring. They said if we find it, act right away. It is very difficult to maintain, they have reduced it. It costs 20,000 initially.

To manage it monthly dives and specific looks at risk spots.
In windswept areas it spreads quicker.
Koronis, 10% of the lake has Starry Stonewort. This is the most area you can treat.

Budget Discussion:

Bill would like to spend next week building a new budget. Brian, Don and Todd will work on it.

New Business:

Bill introduced a new LOGO for LMBIA.

Motion to Adjourn DOn seconded Karen. Approved.
