Annual meeting we should start thinking about it. Maybe have Arianna come and talk about it. Find out when terms are up for board members.
Keep it simple.

2021 Chris, John and Dean

2020 Rob, Don and Karen

2019 Todd, Jeff and Kristin

Rob: MCAL couple of lakes clean up after the fish houses are off. It has not been a problem at Minniebelle. One of the lakes is having a carp shoot. The county has water test kits, they are trying them for lakes. They run about 600 and can be used 30 - 60 times. Results would have to be reported from these tests. The tests are being used on Collinwood and Belle and Francis.

Chris motion to adjourn.
Second John.
